

COSTING CONF 2025

Be in the right room, at the right time - connect, learn, and gain financial insights that you can apply directly to your industry.

2 & 3 October 2025
Capital C
Amsterdam

NETWORK

Gain expert insights into cost allocation and cost modeling to improve efficiency and take control of your financial strategy. Connect with industry leaders, expand your network, and be part of an exclusive event designed for finance professionals.

LEARN

We're curating impactful talks that bring cost allocation methods to life featuring practical examples, real-world case studies, lessons learned, and actionable solutions. Hear how other industry leaders shaped their financial future through effective cost modelling and informed decision-making.

DEVELOP

Advance your expertise at the Costing Conf in Amsterdam, designed for CFOs and senior finance managers. Join insightful sessions tailored to enhance your cost allocation strategies, financial management skills, and professional growth.
